

Replacement of SP^2 colloquia

Jim Barthel
Luca Notarnicola

December 07, 2020

Luxembourg National
Research Fund

The replacement

Bimonthly colloquium

Monthly video revelation followed by a discussion

Videos (15-25 min)

- Presentation of the doctoral candidate (3 min).
- High-level presentation (and motivation) of the candidate's research field (7 min).
- Presentation of the candidate's research outputs or research goals (10 min).

The videos will be developed under the umbrella logo of the SP² and if the doctoral candidate agrees, his/her video will be publicly released on a suitable digital platform.

Upcoming events

Attempted schedule

- 1 General introduction (January/February 2021)
- 2 First recording (one candidate per month)
- 3 Closed group presentation and discussion
- 4 Second recording (optional)
- 5 Public video release (optional)

Each doctoral candidate may at any time withdraw their consent to make his/her video publicly available.
